ATTENTION, EVANGELISTS

CAN YOU USE ONE THOUSAND or more song books if we print your name on the covers and leave ours off entirely; change the price to any you want placed on it; print your pictures on covers, you paying for the cuts; place any printed matter you want on covers; in other words make the book with you as publisher. We have several small books of Evangelistic Songs for this purpose. Write for a list and prices in 1000 lots or more.
